

Iraqi Public Opinion 16 Years After the Invasion

Monday, April 8, 2019 10:00 am - 11:00 am
CSIS Headquarters

Join CSIS's Burke Chair in Strategy for a discussion with Dr. Munqith Dagher, who will present findings from a major series of public opinion surveys and analyses of Iraqi public opinion on the country's political and social landscape 16 years after the invasion.

Dr. Dagher is the Chairman of the Al Mustakilla Research Groups (IIACSS), and a leading Iraqi expert on polling and public opinion analysis.

Hosted by Anthony Cordesman, Dr. Dagher's presentation will explore the current Iraqi landscape, what it means for Iraq's immediate future, and the prospects of progress towards near-term stability.

This event was made possible by general support to CSIS.
